Where to return your application

You should return this to your local election office. If not provided above, contact information for your local election official can be found under "Election Official Directory" at <http://www.sos.state.mn.us>.

Information for active-duty military and overseas voters:

If you are applying for an absentee ballot because you or your family are active-duty military or because you will be overseas and/or outside of the territorial limits of the United States, do not use this application. You are entitled to special protections if you apply using the Federal Postcard Application. For more information, go to <https://minnesota.overseasvotefoundation.org>

Options for returning absentee ballot applications

Absentee ballot applications may be returned by mail, fax or as a scanned attachment to an email.

When your ballot will be sent

Your absentee ballot materials will be sent to you at least 30 days before the election, or if you applied within 30 days of the election, when the application is received. Contact your local election official if it is within 30 days of the election and your ballot has not been received.

Who may apply for a ballot

Each person must apply for themselves. It is a felony to make a false statement in an application for an absentee ballot, to attempt to cast an illegal ballot, or to help anyone to cast an illegal ballot.

If you think you may not be registered to vote

If you are not registered at the given legal residence address, you will be sent a voter registration application with your ballot materials.

Information regarding use of private information

Access to the data that you supply on your absentee application is restricted to election officials prior to the close of voting on election day. However, the list of who applied for an absentee ballot is public information after the close of voting on election day. The list provided for this purpose does not include the month and day of your date of birth, or your driver's license, state ID, or Social Security Numbers. This non-public information is optional, but failure to provide it on the application may result in you being treated as a non-registered voter and/or may prevent you from looking up the status of your absentee ballot online.

Options available to you if you have a disability:

You may:

- sign the application yourself,
- make your mark, or
- ask another person to sign for you in your presence (have the person sign their own name as well).

If you have adopted the use of a signature stamp for all purposes of signature, you may use your signature stamp or ask another person to use your signature stamp in your presence. See *Minnesota Statutes*, section 645.44, subdivision 14.

Information regarding Power of Attorney:

Voting is not covered by power of attorney. A power of attorney pertains only to affairs affecting property. A person with power of attorney may only sign for you in your presence, as outlined above. See *Minnesota Statutes*, section 523.24, subdivision 14.
